Datasource:

Foreign Private Capital Census

Period:

January, 2015 to December, 2015

This Foreign Private Capital Census was conducted in 2016

The Foreign Private Capital Census (FPC) 2016 is the seventh in a series of annual censuses conducted by the National Bank of Rwanda in collaboration with National Institute of Statistics of Rwanda (NISR), Rwanda Development Board (RDB) and Private Sector Federation (PSF).

The main objective of the census is to collect information required for the compilation of Rwanda balance of payments, international investment position statements and determines the magnitude and trends of FPC in Rwanda. The FPC 2016 census provides actual flows and stock of foreign private capital statistics in Rwanda for the year 2015.
