

The principal purposes of this MANUAL are to:

- a. Secure an optimum degree of Statewide uniformity in surveying.
- b. Establish and maintain survey standards.
- c. Improve the overall efficiency of the Division's survey function.
- d. Provide a single reference source for Division-wide surveying policies, procedures, and information

It will provide also a comprehensive reference for new employee orientation; a source material for training; and it will help employees in other institutions gain a better understanding of surveying and its proper relationship to other Administration activities.
