Director General:

Mr MURENZI Ivan

Mr. Ivan MURENZI is the Director General (DG) at the National Institute of Statistics of Rwanda (NISR) from 12 June 2024 to date. He became DG after serving at NISR as Deputy Director General (DDG) since 5 April 2017 and he is a statistician and economist with expertise in research, data collection and analysis. Prior to that, he worked as a financial inclusion specialist and later as Head of digital services at Access to Finance Rwanda (AFR) for 6 years. His responsibilities included leading research on financial inclusion (FinScope Surveys) ; supporting development of various financial sector policies and strategies to promote MSME financing, mobile finance services, branchless banking among other interventions.

Prior to joining AFR, he worked a range of government institutions, research organizations, and a private consulting firm such as PwC and Institute of Policy Analysis and Research (IPAR). He holds a Master’s in Policy Economics from the Centre of Development Economics, Williams College; Massachusetts, USA.

Mr. Ivan MURENZI also served in various Boards of Directors and Councils, including:

- Member of Board of Directors of the National Bank of Rwanda
- Member of Monetary policy Committee of the Central Bank.
