Job Announcement

SMS Expert – National Institute of Statistics of Rwanda (NISR)

The National Institute of Statistics of Rwanda will conduct the fourth General Census of Population and Housing in August 2012. In this exercise, house-to-house visits by enumerators will facilitate collecting information about people living in Rwanda.

Applications are invited from National Experts qualified to develop, deploy and manage an SMS based software solution – to monitor the fieldwork for Census work concerning *household listing* and *data capturing* which is expected to last for 18 days. The opportunity is most suitable for established Specialist with sound experience in setting up of SMS Gateways and development of SMS applications.

Interested consultant should forward a complete application with example of previous similar work to NISR – Central Secretariat not later than 3.00 pm on the 5th June 2012.

For a detailed Terms of Reference (ToR) please visit the NISR website: <http://statistics.gov.rw/about-us/notices/all/Job> and NISR Central Secretariat.

Kigali, 23rd May 2012

MBABAZI Odette

Deputy Director General
