**ASSIGNMENT TITLE: RECRUITMENT OF AN INTERNATIONAL TECHNICAL ADVISOR IN VARIOUS STATISTICAL ACTIVITIES OF NATIONAL INSTITUTE OF STATISTICS OF RWANDA**

**REFERENCE NO: 027/2014-2015/ICNISR/SMRP UNIT/GoR BUDGET**

The National Institute of Statistics of Rwanda (NISR) has now been up and running since 2005. It was created to replace the former Department of Statistics in the Ministry of Finance and Economic Planning (MINECOFIN). NISR is semi autonomous and is governed by a Board of Directors. The government provides oversight on its activities through a performance contract with MINECOFIN.

The NISR is mandated to track and monitor the Economic Development and Poverty Reduction Strategy (EDPRS) Performance Indicators. In particular, it manages all statistics for national development. The NISR is also a national coordinator of the National Statistical System (NSS), Statistical Capacity Building of NSS, and the quality assurance of all statistical information produced by Ministries, Departments and Agencies (MDAs). In the context of data production and management, the NISR carries out most of the time national surveys in order to inform the progress of EDPRS, such as Demographic and Health Survey (DHS), Integrated Household Living Condition Survey (EICV), National Agriculture Survey, Business Enterprise Survey, Establishments Census, etc. All these activities require high statistical and demographic expertise to be able to implement them by following the international standards and methodology.

It is in this context that the NISR intends to Hire an International Technical Advisor for NISR to advise on a number of statistical projects and programmes in various statistical areas in order to ensure that projects and programmes are designed and implemented using sound methodology and international recognized standards.

The National Institute of Statistics of Rwanda now invites eligible Individual Consultants to express their interest in providing the required services.
